H.M.H.P REV. RAYMOND OLIVER ANDERSON PRIEST BEFORE THE LORD THY GOD

Genesis 2:9 Out of the ground the Lord God caused to grow every tree that is pleasing to the sight and good for food. Revelations 22:2 and the leaves of the tree were for the healing of the nations. The Covid-19 vaccine is not a naturally occurring substrate of nature which in its use represents defilement of ones temple and its mandate therefore encroaches upon ones religious freedom of choice. Mankind was given authority and rights by God to rule over the birds of the air, the beasts of the field the fishes of the sea, the earth and to subdue it. Ones inalienable rights to liberty, religious freedom, and state of well-being cannot be taken or given away by any man, establishments nor institutions.

Furthermore Covid-19 vaccines embodies fetal tissue which would be tantamount to genetic cannibalism which is abhorrent to God and an offense to my sincere moral ethical religious beliefs.

Let it be known that I, Barbara Hill, and my family members, on this day of, September 20, 2021, I am of sound mind and entitled to freedom from coercion.
